Section 6. Common Area Easements.

a. Declarant has dedicated and conveyed or will dedicate or convey to the Association for use and maintenance of utility, drainage, wall and landscape easements, together with a right of ingress and egress over and across the easement areas for such purposes. Water service will be provided by Hillsborough County. Sewer service will be provided by Hillsborough County. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, drainage structures or walls, or which may impede the flow of water through drainage structures in the easements. Easement areas within a Lot and all improvements in it shall be maintained continuously by the Owner of the Lot, unless maintained by the Association. Each Owner is responsible for damage to or destruction of the easement area and all improvements on it caused directly or proximately by the acts or omissions of such Owner and any guests, invitees, residents, or other persons occupying or present upon said Lot.

Removal includes dredging, the application of herbicide, and cutting. Lot owners should address any question regarding authorized activities within the wet detention pond to the Southwest Florida Water Management District, Tampa Permitting Department.

c. No owner of property within the subdivision may construct any building, residence, or structure, or undertake or perform any activity in the wetlands, buffer areas, and upland conservation areas described in the approved permit of the subdivision, unless prior approval is received from the Southwest Florida Water Management District pursuant to Chapter 40D-4, Florida Administrative Code.

d. The Association shall maintain, as part of the Common Area, drainage structures for the Property and comply with conditions of the Permit from the Southwest Florida Water Management District ("the District") for the drainage system (the "Drainage System"). The Association, shall, when requested by Declarant, accept transfer of the District Permit for the Property. The conditions may include monitoring and record keeping schedules, and maintenance.

Section 9. All Rights and Easements Appurtenances. The benefit of all rights and easements granted by this Article, or by any Supplemental Declaration, constitute a permanent appurtenance to, and shall pass with, the title to every Lot enjoying such benefit. Whenever any such right or easement is described as non-exclusive by this Article or by any Supplemental Declaration, its benefit nevertheless is exclusive to all Lots granted such benefit by this Article, or by such Supplemental Declaration, unless this Article, or such Supplemental Declaration expressly grants such benefit to additional Persons. In no event shall the benefit of any such easement extend to the general public.

(d) Failure of Owner to Repair. The Association may perform maintenance or make repairs and assess the costs of any required exterior maintenance or repairs to the Owner of any Lot under the following circumstances: (i) such Owner does not maintain in a reasonable condition any lawn or landscaped area on such Owner's Lot that the Association is not required to maintain; or (ii) such Owner does not when reasonably necessary replace any glass surfaces or exterior doors on such Owner's Lot; or (iii) any maintenance, repair or replacement, whether upon such Owner's Lot, or any other Lot or Common Area, is required because of any willful act of such Owner or any member of such Owner's family or household or any invitee of such Owner; or (iv) any Owner fails promptly to repair or replace, as the case may be, any casualty damage to such Owner's Lot; and (v) such Owner has failed to undertake the necessary maintenance or replacement within a reasonable period of time following written notice from the Association. Upon the occurrence of the forgoing, and after reasonable prior notice to such Owner, and a reasonable opportunity to be heard, the Association's Board of Directors by a vote of not less than sixty-seven percent (67%) of the full Board may undertake such maintenance, replacement or repairs and may assess by specific assessment the costs of such maintenance, replacement or repairs, as the case may be, against such Owner's Lot in the manner provided by this Declaration.

Section 11. Reciprocal Easements. There are reciprocal appurtenant easements between each Lot and such portion or portions of the Common Area adjacent thereto, and between

adjacent Lots, for the maintenance, repair and reconstruction of any party wall or walls, as provided in Article X of this Declaration; for common fences between Lots; for lateral and subjacent support; for overhanging roofs, eaves and trees, if any, installed by Declarant, and for replacements thereof; for fences; for encroachments caused by the initial placement, settling or shifting of any improvements constructed, reconstructed or altered therein in accordance with the provisions of this Declaration; and for the drainage of ground and surface waters in the manner established by Declarant. To the extent not inconsistent with this Declaration, the general rules of common law apply to the foregoing easements. The extent of such easements for drainage, lateral and adjacent support and overhangs is that reasonably necessary to effectuate their respective purposes; and such easements of encroachment extend to a distance of not more than five feet, as measured from any point on the common boundary along a line perpendicular to such boundary at such point.

To the extent that any land or improvement which constitutes part of the Property, now or hereafter supports or contributes to the support of any land or improvement constituting another part of the Property, the aforesaid land or improvement, or both land and improvement is hereby burdened with an easement for support for the benefit of the Property or Lot as the case may be. The easement for support shall be an easement appurtenant and run with the land at law.

If any portion of the Common Area encroaches upon a Lot, a valid easement for the encroachment and for the maintenance of the same, so long as it stands, shall and does exist. If any portion of a Lot by virtue of the Work performed by Declarant encroaches upon the Common Area or upon an adjoining Lot or Lots, a valid easement for the encroachment and for the maintenance of the same, so long as it stands, shall and does exist. Such encroachments and easements shall not be considered or determined to be encumbrances either on the Common Area or on the Lots for the purposes of marketability of title. In the event a building on the Common Area or a Lot or any portion thereof is destroyed and then rebuilt, the Owners of the Lot or Lots agree that minor encroachments of parts of the Common Areas, or other Lots, because of such reconstruction

shall be permitted and that an easement for such encroachment and the maintenance and repair of the same shall exist.

Section 8. Private Access. Each Owner shall have an easement across any common area necessary for access to the Owner's Lot. The Association shall limit access to common area to Owners and residents of Lots in the subdivision.

ARTICLE III

Montreux HOMEOWNERS' ASSOCIATION, INC.

Section 1. Purpose. The Association shall be formed for the purpose of maintaining the Common Area, and for such other purposes as set forth herein.

Section 2. Membership.

(a) Each Owner, by virtue of being an Owner and for so long as he is an Owner, shall automatically be a Member of the Association. Association membership shall be an interest appurtenant to title of each Lot and may not be separated from ownership of any Lot which is subject to assessment, as set forth herein, and shall be transferable only as part of the fee simple title to each Lot.

(b) The rights, duties, privileges and obligations of an Owner as a member of the Association shall be those set forth in, and shall be exercised and imposed in accordance with, the provisions of this Declaration and the Association Documents; provided, that, if a conflict arises between the Declaration and the Association Documents, the Declaration shall take priority.

Section 3. Voting. The Association shall have two classes of voting membership:

Class A. So long as there is Class B membership, Class A Members shall be all Owners, except the Declarant, and shall be entitled to one vote for each Lot owned. Upon termination of Class B membership, Class A Members shall be all Owners, including

Declarant so long as Declarant is an Owner, and each Owner shall be entitled to one vote for each Lot owned. If more than one (1) person owns an interest in any Lot, all such persons are Members; but there may be only one (1) vote cast with respect to such Lot. Such vote may be exercised as the Owners determine among themselves; but no split vote is permitted.

Class B. The Class B Member shall be the Declarant and as long as there is a Class B voting membership the Declarant shall be entitled to three (3) votes for each Lot owned. Class B membership shall cease and be converted to Class A membership and any Class B Lots then subject to the terms of this Declaration shall become Class A Lots upon the happening of any of the following events, whichever occurs earlier:

(a) When the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership, including Class B votes for any Property annexed or planned for annexation by Declarant,

(b) On January 1, 2013, or

(c) When the Declarant waives in writing its right to Class B membership.

Section 4. Rights and Obligations of the Association. Besides those responsibilities to the Common Area outlined in Article II, the Association must also manage, operate, maintain, repair, service, replace and renew all rights-of-way for common use within the Property, and all improvements therein, to the extent such activities are not performed by any public authority or utility. The Association, in any event, shall have the duty and responsibility to maintain all irrigation systems and landscaping and signs constructed by the Declarant or the Association servicing the Common Area. The Association also may provide other services, such as, but not limited to security services, as the Association deems appropriate. The Association has the power to operate and maintain common property, specifically the surface water management system as permitted by the Southwest Florida Water Management District including all lakes, retention areas, culverts and related

appurtenances.

Section 5. Services. The Association may obtain and pay for the services of any Person to manage its affairs to the extent the Board deems advisable, as well as such other personnel as the Board determines are necessary or desirable, whether such personnel are furnished or employed directly by the Association or by any Person with whom it contracts. Without limitation, the Board may obtain and pay for legal and accounting services necessary or desirable in connection with the operation of the Property or the enforcement of this Declaration, the Association Documents or the Homeowners' Association Rules.

Section 6. Capital Improvements. Except for: (i) the replacement or repair of items installed by Declarant as part of the Work, if any; (ii) the repair and replacement of any personal property related to the Common Area; or (iii) as set forth in Article II, Section 5, the Association may not expend funds for capital improvements to the Common Area without the prior approval of at least two-thirds (2/3) of those Members authorized to vote thereon.

Section 7. Personal Property. The Association may acquire, hold and dispose of tangible and intangible personal property, subject to such restrictions as from time to time may be contained in the Declaration and the Association Documents.

Section 8. Homeowners' Association Rules. The Association from time to time may adopt, alter, amend, rescind, and enforce reasonable rules and regulations governing the use of the Lots, Common Area, or any combination thereof, which rules and regulations shall be consistent with the rights and duties established by this Declaration. These regulations shall be binding upon Owners and the Association may impose reasonable monetary fines and other sanctions for violations of the rules which may be collected by lien and foreclosure as provided herein, in accordance with Chapter 617, Florida Statutes. All rules and regulations initially may be promulgated by the Board, subject to amendment or rescission by a majority of both classes of membership present and entitled to vote at any regular or special

meeting convened for such purposes. The Association's procedures for enforcing its rules and regulations at all time shall provide the affected Owner with reasonable prior notice and a reasonable opportunity to be heard, in person and through representatives of such Owner's choosing.

The Association's Rules shall include rules for the speed limits and traffic regulation on roadways in the common area, and rules for usage of the recreational facilities in the common area. The Association may contract with Hillsborough County for enforcement of traffic regulations on the common area roads, as provided by Section 316.006(3)(b), Florida Statutes. If the Association itself chooses to enforce traffic regulations, the regulations shall be enforced in the same manner as other rules and regulations of the Association, which is by fine and lien pursuant to Chapter 617, Florida Statutes.

No Owner, Occupant, or person residing within a Dwelling, or their invitees, may violate the Association's rules and regulations for the use of the Property, and all such persons shall comply with such rules and regulations at all times. Wherever any provision of this Declaration restricts or prohibits any activity, condition or structure within the Property except as permitted by the Association's rules and regulations, such restriction or prohibition is self-executing until the Association promulgates rules and regulations expressly permitting such activity, condition or structure. Without limitation, any rules or regulations will be deemed "promulgated" when mailed to all Owners at the address shown on the Association's books or when posted at a conspicuous place on the Property from time to time designated by the Association for such purpose.

Section 9. Powers and Authority. The Association shall have the power and authority to do any and all lawful things which may be authorized, required or permitted to be done by the Association under and by virtue of the Articles of Incorporation of the Association and this Declaration and to do and perform any and all acts which may be necessary or proper for or incidental to the exercise of any of the express powers of the Association for the safety and/or general welfare of the Owners. Without in any way

limiting the generality of the foregoing, the Association shall have the power and authority at any time and from time to time, and without liability to any Owner, to enter upon any Lot for the purpose of enforcing any and all of the provision called for herein, or for the purpose of maintaining and repairing any such Lot if for any reason whatsoever the Owner thereof fails to maintain and repair such Lot as required. The Association shall also have the power and authority from time to time, in its own name, or its own behalf or on behalf of any Owner or Owners who consent thereto, to commence and maintain actions and suits to restrain and enjoin any breach or threatened breach of this Declaration, the Association Documents and the Homeowners' Association Rules and to enforce, by mandatory injunction or otherwise, the provisions of this Declaration, the Association Documents, and the Homeowners' Association Rules.

Section 10. Indemnification of Officers and Directors. To the extent permitted by law, the Association shall, and all Owners as shareholders hereby agree that the Association shall, indemnify each officer, director, employee, and management contractor from any all expenses, including legal expenses, incurred arising out of such person's acts undertaken on behalf of the Association, unless such acts were both adverse to the Association and resulted in personal gain to the person. This provision is self executing, and the Association may also take any action desired to carry out its purposes.

Section 11. Cable Television System. The Association may contract with a franchised cable television operator to provide cable television service in bulk to all of Montreux. This service may include channels for security information and for a community bulletin board. If the Association enters into such an agreement, each Lot shall pay for such cable television charges as part of the monthly payment of the annual assessment.

ARTICLE IV

However, the personal obligation of an Owner for delinquent Assessments shall not pass to said Owner's successors in title unless expressly assumed in writing by such successor.

Section 2. Purpose of Assessments. expenses of the Association; and the payment of all principal and interest when due and all debts owed by the Association.

Section 3. Annual Assessment. The Annual Assessment shall be used exclusively to promote the recreation, health, safety and welfare of the residents within the Property, including (i) the operation, management, maintenance, repair, servicing, security, renewal, replacement and improvements of the Common Area and water management system, and those other responsibilities as outlined herein, (ii) the expenses of the Master Association, and (iii) all other general activities and expenses of the Association, including the enforcement of this Declaration. The annual assessment commencing January 1, 1999 shall not exceed Three Hundred Forty-Eight Dollars (\$348), due in monthly installments.

Section 4. Maximum Annual Assessment. At least thirty (30) days before the expiration of each year, the Board will prepare and distribute to each Owner a proposed budget for the Association's operations during the next ensuing year. If such budget requires an Annual Assessment of not more than one hundred fifteen percent (115%) of the Annual Assessment then in effect, the assessment so proposed will take effect at the commencement of the next ensuing year without further notice to any Owner. If such budget requires an Annual Assessment that is more than one hundred fifteen percent (115%) of the Annual Assessment then in effect, however, the Board must call a membership meeting as stated herein. In computing the applicable percentage of the new annual assessment for the above determination, any increase due to an increase in utility charges for the common area or cable television charges shall not be included, but shall be automatically passed on as part of the assessment. A majority of those Members present and authorized to vote and voting is sufficient for such approval, and the assessment approved will take effect at the commencement of the next ensuing fiscal year without notice to any Owner. If the proposed assessment is disapproved, a majority of the Members present who are authorized to vote and voting will determine the Annual Assessment for the next fiscal year, which may be any amount not exceeding that stated in the meeting notice. Each Annual Assessment may be payable in such number of installments, with or without interest, as the Board determines. In the absence of any

valid action by the Board or the membership to the contrary prior to the commencement of any fiscal year, the Annual Assessment then in effect will automatically continue for the ensuing fiscal year, increased only by any increase in utility charges and cable fees. The Board may increase the annual assessment at any time during the year to provide for an increase in utility charges for the common area, or cable television charges for Lots.

Section 5. Special Assessments for Working Capital Fund, Nonrecurring Maintenance and Capital Improvements. In addition to the annual assessment authorized above, the Association may levy special assessments as follows:

1. Upon sale of the first Lot by the Declarant to a third party, a special assessment for a working capital fund, equal to six (6) months' estimated regular assessment may be assessed which shall be due and payable upon conveyance of each Lot to a third party. The aggregate working capital fund established by such special assessment shall be accounted for separately, and shall be available for all necessary expenditures of the Association.
2. In an assessment year, a special assessment (in addition to the annual assessment or the assessment provided in subsection (a) above) which is applicable to that year only for the purpose of defraying, in whole or in part, the cost of any nonrecurring maintenance, or the acquisition, construction, reconstruction, repair or replacement of a capital improvement upon the Common Area required to be maintained by the Association, including fixtures and personal property related thereto may be assessed. The Association shall separately account for the proceeds of such special assessments and proceeds shall be used solely and exclusively to fund the nonrecurring maintenance or improvements in question, provided such assessment first is approved by a majority of the Members

present and voting in person or by proxy at a meeting duly convened for such purpose. Any such special assessment shall be due on the date fixed by, and may be payable in one or more installments (with or without interests), as the Board determines.

Section 6. Specific Assessments. Any and all accrued, liquidated indebtedness of any Owner to the Association arising under any provision of this Declaration, or by contract, express or implied, or because of any act or omission of any Owner or person for whose conduct such Owner is legally responsible, also may be assessed by the Association against such Owner's Lot after such Owner fails to pay such indebtedness within thirty (30) days after written demand. This shall include fines levied pursuant to Chapter 617, Florida Statutes, for the actions of any Owner, or guest, invitee, or family member of such Owner. This shall also include payment for water or sewer utility services as provided in section 18 below. Specific Assessments shall also include water and sewer charges pursuant to Section 18 hereof.

Section 7. Property Taxes. Because the interest of each Owner in the Common Area is an interest in real property appurtenant to each Lot, and because no person other than an Owner has the right to the beneficial use and enjoyment of the Common Area, Declarant intends that the value of the interest of each Owner in the Common Area entitled to its use be included in the assessment of each Lot for local property tax purposes. Declarant further intends that any assessment for such purposes against the Common Area shall be for a nominal amount only, reflecting that the full value thereof is included in the several assessments of the various Lots. If the local taxing authorities refuse to so assess the Common Area with the result that local real property taxes in any given year are assessed to the Association with respect to the Common Area in excess of Five Hundred and No/100 Dollars (\$500.00), and in the event the Annual Assessment does not include any such excess property taxes on the Common Area, then the amount of such excess may be specially assessed by the Board of Directors in its discretion in the following manner: the amount of such excess with respect to the Common Area shall be divided by the number of Lots

within the Property and the quotient shall be the amount of such special assessment which may be payable in a lump sum within thirty (30) days after notice or may be amortized without interest over such number of months as the Board deems advisable. Each year the Board shall determine whether such assessment shall be levied, and its amount, within forty-five (45) days after receiving notice of the amount of taxes due.

Section 8. Notice and Quorum for Any Action Authorized Under Article IV. Written notice of any meeting called for the purpose of taking action authorized to increase the Annual Assessment shall be sent to all Members authorized to vote, not less than 10 days nor more than 30 days, in advance of the meeting; and for all other Assessments notice shall be sent to all Members authorized to vote, not less than 5 business days nor more than 10 days in advance of the meeting.

Section 9. Uniform Rate of Assessment. Both Annual and Special Assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis, except that Declarant, at its election, in lieu of paying Annual Assessments may contribute to the Association such amounts as are necessary to fund any difference between the Association's operating expenses and the Annual Assessments collected from Owners other than Declarant. The share of each Lot in payment of the assessments for common expenses shall be a fraction the numerator of which is one and the denominator is the total number of Lots subject to assessment under this Declaration. This fraction will change as additional property is added to the Property, but is initially one divided by the number of Lots shown on the Plat.

Section 10. Accumulation of Funds Permitted. The Association shall not be obligated to spend in any calendar year all sums collected in such year by way of Annual Assessments or otherwise, and may carry forward, as surplus, any balances remaining; nor shall the Association be obligated to apply such surplus to the reduction of the amount of the Annual Assessments in any succeeding year but may carry forward from year to year such surplus as the Board may deem to be desirable for the greater financial security of the Association and the effectuation of its purposes.

Section 11. Date of Commencement. The Annual Assessments provided for herein shall commence as to all Lots as of the first day of the month following the recording of this Declaration or January 1, 1999, whichever occurs later.

Section 12. Certificate as to Status of Payment. Upon written request of an Owner, the Association shall, within a reasonable period of time, issue a certificate to that Owner giving the status of all Assessments, including penalties, interest and costs, if any, which have accrued to the date of the certificate. The Association may make a reasonable charge for the issuance of such certificate. Any such certificate, when duly issued as herein provided shall be conclusive and binding with regard to any matter therein stated. Notwithstanding any other provision of this Section, a bona fide purchaser of a Lot from an Owner to whom such a certificate has been issued shall not be liable for any Assessments that became due before the date of the certificate that are not reflected thereon and the Lot acquired by such a purchaser shall be free of the lien created by this Article to the extent any such Assessment is not reflected.

Section 13. Assessment Lien. All sums assessed to any Lot, together with interest and all costs and expenses of collection (including reasonable attorneys' fees and paralegal fees, plus any applicable sales or use tax thereon, including those for trial and all appellate proceedings), are secured by a continuing lien on such Lot in favor of the Association. Such lien is subject and inferior to the lien for all sums secured by any first Mortgage encumbering such Lot, as provided herein; but all other Persons acquiring liens on any Lot, after this Declaration is recorded, are deemed to consent that such liens are inferior to the lien established by this Declaration whether or not such consent is set forth in the instrument creating such lien. The recording of this Declaration constitutes constructive notice to all subsequent purchasers and creditors, or either, of the existence of the Association's lien and its priority. The Association from time to time may, but is not required to, record a notice of lien against any Lot to further evidence the lien established by this Declaration.

Section 14. Effect of Nonpayment of Assessments: Remedies of the Association. Any Assessment not paid within ten (10) days after the due date shall bear interest from the due date at the rate of eighteen percent (18%) per annum or at such rate as the Board may from time to time establish provided, however, that in no event shall the Association have the power to establish a rate of interest in violation of the law of the State of Florida. The Board may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Property. A suit to recover a money judgment for unpaid assessments may be maintained without foreclosing, waiving, or otherwise impairing the Associations' lien or its priority. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 15. Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein shall be subordinate to the lien of any first Mortgage. Sale or transfer of any Lot shall not affect an Assessment lien, except the sale or transfer of any Lot pursuant to the foreclosure of a first Mortgage or any proceeding or conveyance in lieu thereof, shall extinguish the lien of such Assessments as to payments which became due prior to such sale or transfer, without prejudice however, to the Association's right to collect such amounts from the Owner personally liable for their payment. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof. Any encumbrancer holding a lien on a Lot may pay, but is not required to pay, any amount secured by the lien created by this Article; and such encumbrancer then will subrogate to all rights of the Association with respect to such lien, including priority, to the extent of such payment.

Section 16. Homesteads. By acceptance of a conveyance of title to any Lot, each Owner is deemed to acknowledge conclusively that (i) the assessments established by this Article are for the improvement and maintenance of any homestead thereon; (ii) the Association's lien for such assessments has priority over any such homestead; and (iii) such Owners irrevocably waive the benefit of any homestead exemption otherwise available with respect to all

amounts validly secured by such lien.

Section 17. Special Assessments. Each Owner shall be responsible for any special assessments by any entity of government made with regard to such Owner's property, including capacity assessments made by Hillsborough County.

Section 18. Utility Assessments. The Association may choose to have the subdivision metered for water and wastewater utilities as a whole, and individually meter individual residences for water or wastewater usage. If so, the Association shall bill each Owner monthly for such services, which shall be a specific assessment as provided above. The assessment for water and wastewater charges shall include an amount for the cost of billing and for the costs of meter reading. In addition to the other remedies specified in this Article, after ten days notice, the Association may physically terminate water service for failure of the Owner to timely pay such assessment.

ARTICLE V

ARCHITECTURAL CONTROL COMMITTEE

Section 1. Creation and Composition. The "Architectural Control Committee" shall mean, as follows: Until all the Lots in Montreux have been fully developed, permanent improvements constructed thereon, and sold to permanent residents, the Architectural Control Committee shall mean the Declarant, and shall not be a committee of the Association. At such time as all of the Lots in Montreux have been fully developed, permanent improvements constructed thereon, and sold to permanent residents, the Declarant shall notify the Association and all the Owners of Lots in Montreux to that effect, and, thereupon, the Declarant's rights and obligations as the Architectural Control Committee shall forthwith terminate. Thereafter, the Association shall have the right, power, authority, and obligation to establish a successor Architectural Control Committee as a committee of the Association in accordance with the Association Documents and prescribe rules and regulations pursuant to which such Committee shall act. Notwithstanding the foregoing, if additional property is annexed

and subjected to this Declaration in accordance with Article VIII, Section 5, then, as to the Lots in each subsequent phase, Declarant shall be the Architectural Control Committee until such time as all such Lots have been fully developed, permanent improvements constructed thereon, and sold to permanent residents, after which the Architectural Control Committee established by the Association shall take over.

Section 2. Design Standards. The Architectural Control Committee shall from time to time, subject to this Declaration and the Association Documents, adopt, promulgate, amend, revoke, and enforce guidelines, hereinafter referred to as the "Design Standards" for the purposes of:

(i) governing the form and content of plans and specifications to be submitted to the Architectural Control Committee for approval pursuant to this Declaration;

(ii) governing the procedure for such submission of plans and specifications; and

(iii) establishing guidelines with respect to the approval and disapproval of design features, architectural styles, exterior colors and materials, details of construction, location and size of any Structure, and all other matters that require approval by the Architectural Control Committee pursuant to this Declaration.

(iv) establishing guidelines for approval of landscaping changes and maintenance of structures, including roof replacement.

Generally, exterior modifications to the structures constructed by Declarant are discouraged and will not be approved. In reviewing any particular application, the Committee shall consider whether its action will: (i) assure harmony of external design, materials and location in relation to surrounding buildings and topography within the Property; and (ii) preserve the value and desirability of the Property as a residential community; and (iii) be consistent with the provisions of this Declaration; and (iv) be

in the best interest of all Owners in maintaining the value and desirability of the Property as a residential community.

Section 3. Review and Approval of Plans. No exterior change shall be commenced, erected, or maintained on any Lot, nor shall any exterior addition to or alteration thereof be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to the Architectural Control Committee for written approval (i) as to conformity and harmony of external design and general quality with the existing standards of the neighborhood and with the standards of Montreux, (ii) as to the size, height, and location of the Structure in relation to surrounding Structures and topography and finished ground elevation, and (iii) shall be consistent with the provisions of this Declaration. No landscaping may be added to the front yard of any Lot without approval of the Architectural Committee. In the event the Architectural Control Committee fails to approve or disapprove such design and location within forty-five (45) days after said plans and specifications have been submitted in writing, the proposal shall be deemed to be disapproved by the Architectural Control Committee. The Committee may impose a fee for the costs involved with such approval.

Such plans and specifications shall be in such form and shall contain such information as may be reasonable required by the Architectural Control Committee.

Upon approval by the Architectural Control Committee of any plans and specifications submitted pursuant to this Declaration, a copy of such plans and specifications, as approved, shall be deposited for permanent record with the Architectural Control Committee and a copy of such plans and specifications bearing such approval, in writing, shall be returned to the applicant submitting the same. Approval for use in connection with any Lot or Structure of any plans and specifications shall not be deemed a waiver of the Architectural Control Committee's right, in its discretion, to disapprove similar plans and specifications or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted for use in connection with any other Lot or Structure. Approval of any such

plans and specifications relating to any Lot or Structure, however, shall be final as to that Lot or Structure and such approval may not be reviewed or rescinded thereafter, provided that there has been adherence to, and compliance with, such plans and specifications, as approved, and any conditions attached to any such approval.

It shall be the responsibility of each Owner at the time of construction of any structure on the Owner's Lot, to comply with all applicable Laws, including without limitation compliance with the construction plans for the surface water management system pursuant to Chapter 40D-4, F.A.C., approved and on file with the Southwest Florida Water Management District.

Notwithstanding anything to the contrary, the Architectural Control Committee may request changes in any plans or Structures that are completed or being built if required by Law and neither the Declarant nor the Architectural Control Committee shall be liable for damages.

In regards to any plans and specifications approved by the Architectural Control Committee neither Declarant, nor any member of the Architectural Control Committee, shall be responsible or liable in any way for any defects in any plans or specifications, nor for any structural defects in any work done according to such plans and specifications nor for the failure of the plans and specifications to comply with any Law. Further, neither Declarant, nor any member of the Architectural Control Committee shall be liable in damages to anyone by reason of mistake in judgment, negligence, misfeasance, malfeasance or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications or the exercise of any other power or right the Architectural Control Committee provided for in this Declaration. Every Person who submits plans or specifications to the Architectural Control Committee for approval agrees, by submissions of such plans and specifications, and every Owner of any Lot agrees, that he will not bring any action or suit against Declarant, or any member of the Architectural Control Committee, to recover for any such damage.

Prior to the issuance of a certificate as set out in section 4 below, any employee or agent of the Architectural Control Committee may, after reasonable notice, at any reasonable time, enter upon any Lot and Structure thereon for the purpose of ascertaining whether the installation, construction, alteration, or maintenance of any Structure or the use of any Lot or Structure is in compliance with the provisions of this Declaration; and neither the Architectural Control Committee, nor any such agent shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

Section 4. Certification by Architectural Committee. At the request of any Owner, the Association from time to time will issue, without charge, a written certification that the improvements, landscaping, and other exterior items situated upon such Owner's Lot have been approved by the Architectural Control Committee, if such is the case.

Section 5. Violations. If any Structure shall be erected, placed, maintained, or altered upon any Lot, otherwise than in accordance with the plans and specifications approved by the Architectural Control Committee pursuant to the provisions of this Article, such erection, placement, maintenance, or alteration shall be deemed to have been undertaken in violation of this Article and without the approval required herein. If in the opinion of the Architectural Control Committee such violation shall have occurred, the Architectural Control Committee shall notify the Board of the Association. If the Board of the Association shall agree with the determination of the Architectural Control Committee with respect to the violation then the Board shall provide written notice to the Owner by certified mail, setting forth in reasonable detail the nature of the violation and the specific action or actions required to remedy the violation. If the Owner shall not have taken reasonable steps toward the required remedial action within thirty (30) days after the mailing of the aforesaid notice of violation, then the Association shall have and be entitled to, in addition to any other rights set forth in this Declaration, all rights and remedies at law or in equity. Actions of the Board are final.

Section 6. Partial Delegation to Association. At any time

prior to the termination of Declarant's responsibilities as provided in Section 1 above, Declarant may delegate to a committee of the Association the responsibilities of the Architectural Control Committee with regard to any activities on individual Lots which have been fully developed, permanent improvements constructed thereon, and sold to permanent residents. The Declarant may then retain all other duties of the Architectural Control Committee with regard to new construction.

ARTICLE VI

GENERAL COVENANTS AND RESTRICTIONS

The following covenants, conditions, restrictions, and easements are herewith imposed on the Property:

Section 1. Signs. No sign of any kind will be displayed to public view within the Property except (i) customary name and address signs on each Lot, (ii) one (1) Lot sign of not more than six (6) square feet in size, placed in the front yard only, advertising a Lot for sale or rent, or (iii) no trespassing, no solicitation, beware of dog or such similar signs affixed to the front of a Dwelling, not to exceed one-half (1/2) square foot in size, and approved by the Association as to color and content. No sign shall be lighted. No advertising or third-party signs shall be permitted except as provided in (ii) above. All signs permitted by this subsection are subject to the Association's rules and regulations, provided however that these restrictions shall not apply to signs used by Declarant or its designee to advertise the Property during the promotion and construction of Dwellings and sale of Lots.

Section 2. General Prohibitions. No activity is permitted, nor may any object or substance be kept, stored, or permitted anywhere within the Property in violation of law. No Owner shall

cause or permit any unreasonable or obnoxious noises or odors or waste and no obnoxious, destructive, illegal, or offensive activity that constitutes a nuisance to any Owner or to any other person lawfully residing within the Property is permitted anywhere within the Property. This provision shall not apply to the activities of Declarant in construction, maintenance or sale of Dwellings.

Section 3. Use of Lots. Each Lot may be improved and used for residential purposes only and only one residence, approved in accordance with Article V, may be constructed thereon. No trade, business, or profession of any kind may be conducted on any Lot except for the business of the Declarant and its transferees in developing the Property or a home occupation as approved by Hillsborough County.

Section 4. Animals. No animals, livestock, or poultry may be raised, bred or kept anywhere within the Property, except that no more than four (in the aggregate) dogs, cats or other conventional household pets may be kept upon any Lot so long as they are not kept, bred or maintained for any commercial purpose. Each Owner shall have the responsibility to clean up the waste produced by his or her pet immediately. No pet shall be permitted to run at large outside a Lot. Each Owner and Occupant shall insure that his pet shall not disturb other Owners and Occupants with excessive or repetitive noise. All pets outside a Dwelling shall be properly leashed or shall be kept within an approved fence, shall be otherwise controlled in whatever manner is most practical on or off a Lot, and shall be subject to all applicable local ordinances existing from time to time. No outside animal pen, cage or shelter shall be constructed without approval of the Architectural Committee. No fenced dog runs are permitted.

Section 5. Trash. Except for regular curbside collection and disposal, no rubbish, trash, garbage or other waste material or accumulations may be kept stored or permitted anywhere within the Property, except inside a Dwelling, or in sanitary containers completely concealed from view. No trash containers shall be placed at curbside for pickup more than twenty-four (24) hours prior to the scheduled pickup.

Section 6. Appurtenances. No porch, deck, patio, fence, screened enclosure, carport or other attached or detached structure (whether free-standing, structural or non-structural and whether in the front, side or rear of a Dwelling), shall be constructed without the approval of the Architectural Committee. No permanent outdoor clothes lines may be installed or maintained on any Lot except that portable rotary type or reel type clothes lines may be permitted in the rear yard only and said clothes lines must be stored when not in use. On corner Lots, such clothes lines shall not be placed within twenty (20) feet of a side street line. No storm doors or screen doors are permitted on the front door of a Dwelling. No basketball hoops, whether temporary or permanent, including portable hoops, shall be installed on any Lot. No above-ground swimming pools, free-standing storage sheds or outbuildings, screening of front porches or garages, antennas or solar collectors are permitted on any Lot.

hoops → amended

Notwithstanding the above provision, each Lot shall be permitted to install and maintain one (1) satellite dish antenna of not more than one meter in diameter, at a location and in a manner as may be approved by the Architectural Committee. The structure shall not be visible from the street.

Section 7. Storage of Vehicles, Water Craft, Machinery or Equipment. Except as specifically permitted hereinafter, no vehicle (motorized or non-motorized, licensed or not), no water craft (motorized or non-motorized) and no trailer of any kind (licensed or not), or any other machinery or equipment (whether mobile, licensed or not) shall be parked or stored on any Lot, sidewalk, public or private right-of-way within the Property, or any portion of the Common Area. Except and to the extent that it is parked temporarily and is in use for construction, repair or maintenance of a Lot or Dwelling or the Common Areas, the foregoing prohibition shall include all of the foregoing items which are of a commercial character.

Notwithstanding the foregoing, "permitted vehicles" may be parked in driveways. A "permitted vehicle" shall mean a licensed motor vehicle which is (i) a passenger automobile or van (including a high-top conversion van or sport vehicle with oversized tires,

but excluding a motor-home or recreational vehicle), (ii) a motorcycle, or (iii) a pickup truck, whether or not the bed has been enclosed, provided such pick-up truck can be otherwise completely concealed within a standard sized garage, and provided in each instance that any such vehicle has a current license tag and is in daily use as a motor vehicle on public rights-of-way. A "permitted vehicle" shall not include a vehicle used for commercial purposes, including vehicles containing racks, tool storage units (excluding low-profile units installed parallel to and immediately behind the cab), and vehicles displaying commercial signage. None of the foregoing items which are inoperative or abandoned shall be permitted on any Lot for a period in excess of forty-eight (48) hours unless such item is entirely within a garage. No major repairs shall be performed on any such items on any Lot except within a garage and under no circumstances shall such repairs be performed if they result in the creation of an unsightly or unsafe condition as determined by the Board. Unless specifically designated by the Board for parking, no temporary parking shall be permitted on any Common Area.

Section 8. Dwellings. Only one Dwelling may be constructed on any Lot. No trailer, manufactured home, manufactured building, mobile home, tent, shack, garage, barn, storage shed, structure of a temporary character, or other outbuilding shall be constructed or parked on any Lot at any time, except for a construction shack, security trailer, temporary structure or temporary toilet during construction of a Dwelling by Declarant or its transferees. Any Dwelling constructed on a Lot shall be in accord with the front yard and rear yard setback requirements set forth in the Hillsborough County Zoning Regulations. No structural or non-structural additions shall be permitted without written permission of the Architectural Control Committee. All driveways and sidewalks shall be constructed, reconstructed or repaired with the materials and in the manner in which they were originally constructed, and no pavers, colors, coatings, epoxies or similar treatments shall be permitted except as approved by the Architectural Control Committee.

Section 9. Access By Association. The Association has a right of entry onto each Lot (but not inside a Dwelling) to the extent reasonably necessary to discharge its rights or duties of

exterior maintenance, if any, or for any other purpose reasonably related to the Association's performance of any duty imposed, or exercise of any right granted by this Declaration. Such right of entry shall be exercised in a peaceful and reasonable manner at reasonable times and upon reasonable notice whenever circumstances permit. Entry into any Dwelling shall not be made without the consent of its Owner or Occupant for any purpose, except pursuant to Court order or other authority granted by Law. No Owner shall withhold consent arbitrarily to entry upon a Lot by the Association for the purpose of discharging any duty or right of exterior maintenance if such entry is upon reasonable notice, at a reasonable time, and in a peaceful and reasonable manner. The Association's right of entry may be exercised by its agents, employees and contractors.

Section 10. Fences.

a. No fences shall be erected or maintained on any Lot which shall be in excess of six feet (6') in height.

b. No chain link fences are permitted, except that the Declarant may erect a vinyl-covered chain link fence along any common area, which fence shall be maintained by the Association.

c. No hedges or shrubbery shall exceed a height of eight feet (8').

d. Fences located in front of the front setback line are prohibited, except temporary fences erected by Declarant prior to sale of a Dwelling. 40'

e. The Architectural Committee shall adopt and promulgate standards for fences. All fences shall comply with County regulations and shall be subject to review by the Architectural Committee for compliance with the adopted standards of the Architectural Committee, unless the Architectural Committee waives such requirements based on special circumstances.

f. A fence located along a retention pond, or located along a drainage easement adjacent to a retention pond, may be constructed in accordance with the adopted standards of the Architectural Committee, and shall be subject to review by the Architectural Committee. Such fence shall not exceed four feet (4') in height.

Section 11. Replacement. In the event a Dwelling is damaged or destroyed by casualty, hazard or other loss, then within twelve (12) months after such incident, the Owner shall either rebuild or repair the damaged Dwelling or promptly clear the damaged improvements and re-sod and landscape the Lot in a sightly manner.

Section 12. Mailboxes. The Architectural Committee may approve a standard mailbox design for use throughout the Property. No mailboxes shall be installed which do not meet the adopted standard, if any, or are approved by the Architectural Committee.

Section 13. Use of Waterways and Recreational Areas. No Owner, Occupant or invitee shall permit the use of any water craft, motorized or non-motorized, on any lake or ponds in the Property, or permit the construction or maintenance of any dock, or permit any storage of any items on the banks of such lakes or ponds. The Association shall, by rule, adopt regulations for the control of fishing and recreational areas within the Property.

Section 14. Maintenance of Entry Wall. The masonry wall adjacent to any entrance or boundary to the subdivision, shall be maintained on the interior and exterior of such wall and any structural repair or reconstruction shall be the responsibility of the Association.

ARTICLE VII

GENERAL PROVISIONS

Section 1. Enforcement. Each Lot Owner shall comply strictly

with the covenants, conditions, restrictions, and easements set forth in this Declaration. In the event of a violation or breach, or threatened violation or breach, of any of the same, the Declarant, the Architectural Control Committee, the Association, or any Lot Owner, jointly and severally, shall have the right in addition to procedures set out in Article V, Section 5 and Article II, Section 9, to proceed at law or in equity for the recovery of damages, or for injunctive relief, or both. If any Owner or the Association is the prevailing party in any litigation involving this declaration, then that party also has a right to recover all costs and expenses incurred (including reasonable attorneys' fees and paralegal fees together with any applicable sales or use tax thereon). However, no Owner has the right to recover attorney's fees ~~from~~ or against the Association, unless provided by Law. Failure by the Declarant, the Architectural Control Committee, the Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

In addition to the above rights, the Association and the Architectural Control Committee shall have a Right of Abatement if the Owner fails to take reasonable steps to remedy any violation or breach within thirty (30) days after written notice sent by certified mail. A Right of Abatement, as used in this Section means the right of the Association or Architectural Control Committee, through its agents and employees, to enter at all reasonable times upon any Lot or Structure, as to which a violation, breach or other condition to be remedied exists, and to take the actions specified in the notice to the Owner to abate, extinguish, remove, or repair such violation, breach, or other condition which may exist thereon contrary to the provisions hereof, without being deemed to have committed a trespass or wrongful act by reason of such entry and such actions; provided, such entry and such actions are carried out in accordance with the provisions of this Article. The cost thereof including the costs of collection and reasonable attorneys' fees, and paralegal fees (together with any applicable sales or use tax thereon) together with interest thereon at eighteen percent (18%) per annum, shall be a binding personal obligation of such Owner, enforceable at law, and shall be a lien on such Owner's lot enforceable as provided

herein.

Section 2. Severability. If any term or provision of this Declaration or the Association Documents or the application thereof to any Person or circumstance shall, to any extent, be invalid or unenforceable, the remaining terms and provisions of this Declaration and the Association Documents, and the applications thereof, shall not be affected and shall remain in full force and effect and to such extent shall be severable.

Section 3. Duration. This Declaration, inclusive of all easements reserved by or on behalf of the Declarant or Association, shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Owner of any land subject to this Declaration, their respective heirs, legal representatives, successors and assigns, for a term of twenty-five (25) years from the date this Declaration is filed for record in the Public Records of Hillsborough County, Florida, after which time this Declaration shall be automatically extended for successive periods of ten (10) years unless an instrument signed by the then record Owners of all of the Lots has been recorded, agreeing to change this Declaration in whole or in part.

Section 4. Amendment; Additional Phases. This Declaration may be amended by an instrument signed by the duly authorized officers of the Association provided such amendment has been approved by the Members entitled to cast two-thirds (2/3) of the total votes able to be cast at any regular or special meeting of the Members duly called and convened. Any amendment, to be effective, must be recorded. Notwithstanding anything herein to the contrary, so long as the Declarant shall own any Lot or have the right to subject additional properties to this Declaration, no amendment shall diminish, discontinue, or in any way adversely affect the rights of the Declarant under this Declaration.

Notwithstanding any provision of this Section to the contrary, the Declarant hereby reserves and shall have the right to amend this Declaration, from time to time, for a period of five (5) years from the date of its recording to make such changes, modifications, and additions therein and thereto as may be requested or required

by FHA, VA, Southwest Florida Water Management District, or any other governmental agency or body generally or as a condition to, or in connection with such agency's or body's agreement to make purchase, accept, insure, guaranty, or otherwise approve loans secured by mortgages on Lots, provided any such amendment does not destroy or substantially alter the general plan or scheme of development of Montreux. Any such amendment shall be executed by the Declarant and shall be effective upon its recording. No approval or joinder of the Association, any other Owners, any Mortgagee, or any other party shall be required or necessary for any such amendment. Any amendment of these documents which would affect the surface water management system, including the water management portions of the common areas, must have the prior approval of the Southwest Florida Water Management District.
